Seasonal Sentiments

Towns Are Postcard-Perfect Holiday Settings

By Kenneth J. Souza

Having spent nearly five years now covering Mattapoisett, Marion and Rochester for various publications, I've found it's easy to get caught up in the small town state of mind. Despite being scenic and picturesque rural towns, all three share a certain kinship and sense of community which seems to end when taking the nearest exit to Route 195.

Though the area is known primarily as a summer resort, many of the home owners are missing what year-round residents have known for years — that the towns are just as quaint and appealing in the dead of winter as they are during their summer peak.

I, myself, subscribe to the notion that the holiday season in the tri-town area is just as endearing — if not more so — than the hustle and bustle of the summer months. And though not a flake of snow has managed to cover a single branch thus far, the first snowfall is sure to instill that seasonal sentiment which would move even Norman Rockwell.

There's something inherently perfect about the holiday season in New England ... and the seaside beauty of Marion and Mattapoisett along with the quiet suburban setting of Rochester make them the ideal locales for a cozy Christmas.

Take the various traditions which serve to liven this time of year as a prime example.

Each town holds a special Christmas tree lighting ceremony in early December to hail in the holiday season. Mattapoisett residents were disappointed when their scheduled tree lighting on December 7 was cancelled due to inclement weather ... but the Board of Selectmen still made a point of issuing a note of thanks to all those who assisted in preparing the eye-catching tree which is now on display within the gazebo at Shipyard Park.

And there isn't a town building or display in Mattapoisett which isn't bedecked with holiday wreaths or fresh holly ... from the post office to the Town Hall.

In Marion, Bicentennial Park located across from Town Hall is also decorated with full-size Christmas displays which surround the large and looming town tree at the park's center.

But it was the students at Sippican Elementary School this past Monday afternoon that sparked the true meaning of Christmas for residents. During the school's traditional Winter Concert, students of all ages came together to perform holiday and popular favorites for their proud family members and friends under the direction of William Forbush, Patricia Richard, and Hannah Moore.

The hype of the holiday season had clearly infected each of the students as they filed from their classrooms and headed toward the auditorium for the performance. Once there, the Concert Band treated their fellow classmates to "Clarinet Capers," "Here Comes Santa Claus," "Circle of Life" (from *The Lion King*), and "Rockin' Around the Christmas Tree."

Other holiday highlights included "Rudolph

On the cover: This jolly depiction of Father Christmas is one of the many full-size displays featured in Marion's Bicentennial Park across from the Town House. The real "St. Nick" will be descending upon the area this weekend with his sackful of goodies. (Photo by Kenneth J. Souza).

Happy Holidays

the Red-Nosed Reindeer" performed by the school's Jazz Ensemble; "Jolly Old St. Nicholas" performed by the Trumpet Ensemble; "Have Yourself a Merry Little Christmas" by clarinet soloist Emily Sampson; "Silent Night" performed by the Recorder Consort; and a rousing rendition of "Jazzy Jingle Bells" by the Sixth Grade Chorus, which closed the concert.

In the more rural setting of Rochester, the town's annual Door Decorating Contest is the highlight of the holidays, second only to the town's own tree lighting ceremony. This year the three members of the Board of Selectmen — accompanied by Administrative Secretary Shirley Ferreira, Town Hall Secretary Veronica Lafreniere, and resident Louise Watling — toured the town in the newly-purchased Council on Aging van to select the following winners in this year's annual event:

First Prize: Elizabeth Hathaway of Snipatuit Road; Second Prize: Dorothy Tuttle of Hartley Road; Third Prize: Stephanie Carr of Mary's Pond Road; Fourth Prize: Bette Olival of Clarke Court; and Fifth Prize: Jill Szklany of Vaughan Hill Road.

The door decorating winners were given gift certificates and prizes courtesy of Dempsey's Village Sampler, Plumb Corner Market, Plumb Corner Association, Lloyd's Market, and Country Charm Flower Shop.

And as this last hectic holiday week winds to a close, one thing is certain: the residents of Mattapoisett, Marion and Rochester will "all settle down for a long winter's nap."

Season's Greetings to all our readers ... and a safe and prosperous New Year!

Mattapoisett Selectmen's Meeting

December 20, 1994

A meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, December 20 at 7:00 pm by Chairman John N. DeCosta, Jr. Also present were Selectman Daniel O. Mahoney, Selectman Paul E. Lambalot, and Executive Secretary Carol Adams.

After approving the minutes of the December 13 and December 16 meetings of the board, Chairman DeCosta made a special announcement:

"On behalf of the Board of Selectmen, I would like to wish the residents of the Town of Mattapoisett a Happy, Healthy Holiday Season. At this time I would also like to

extend a personal thank you to my fellow Selectmen, elected and appointed officials, as well as town employees for their dedication and professionalism throughout 1994. I would also like to thank the press for their fairness and understanding."

After signing the warrant and correspondence for the week, Chairman DeCosta noted that the Town Hall Christmas Party will be held on Friday, December 23 at 1:00 pm. He also noted that Town Hall will be closed on Monday, December 26 in observance of the Christmas holiday.

Under incoming correspondence for the week, the board received notification from SEMASS that the mandated testing fee for refuse collected from the town will be reduced to 50 cents per ton in 1995.

East Coast Engineering, Inc. sent a letter to the board offering their services to assist in preparing a grant application, plans, and specifications for the construction of a proposed bike path connecting Fairhaven, Mattapoisett and Marion.

The Division of Marine Fisheries also sent notification that a section of North Buzzards Bay — encompassing Mattapoisett, Marion, Wareham, Bourne, and Falmouth — has been approved for the taking of shellfish.

The board also received a copy of the latest Landfill Inspection Report (#41) from the engineering firm of Tighe & Bond.

A scheduled appointment with the Board of Assessor to classify the town's tax rate as either a single rate for residential and commercial property or as a separate rate for each was postponed for another week, pending certification from the state Department of Revenue.

The board then unanimously approved the

acceptance by the Conservation Commission of an approximate eight acres of conservation land located adjacent to Mattapoisett Neck Road and Oliver's Lane from the Decas Real Estate Trust. The land in question has been deemed unbuildable and will be kept as conservation property.

At 7:40 pm, the board met with residents Marilyn Lee, Katherine McCarthy, Ellen Driscoll, Bill Cornish, and Ken Correia to discuss the possible opening of the town's bathing beach. Having read about recent Selectmen's discussions of this matter in the local press, they felt they needed to offer their opinions in support of the beach reopening.

"We're here because we're interested in getting the beach opened," Ms. Lee said. "By that, we mean hiring two lifeguards and matrons. This is a summer community and it's a shame that our beach has become a sad sight."

Chairman DeCosta noted that the board was in favor of opening the beach for full use, but they were wrestling with the proposed budget and needed to consult the Finance Committee before a commitment could be made.

"I think I speak for the whole board when I say we're in favor of opening the beach," he said. "But we've got to put the figures together and see how much it will cost and if we can afford it ... right now, I think the cost would be somewhere around $20,000 (a year)."

The board was also faced with a technical problem in funding the beach for the upcoming year, in that they agreed this was a matter which needed to be addressed as part of the Annual Town Meeting in the spring. If so, this would not allow them the funding or time to open the beach in the summer of 1995, thereby postponing it to

1996.

"As you know, funding for the beach was proposed before and twice turned down by the voters," Selectman Mahoney said. "Then, a few weeks ago it was suggested that we reconsider funding (the beach). Because it has become a matter of some contention in town ... we concluded it should not be placed on the Special Town Meeting warrant.

"But, if we want to open it for the summer, we have to make a commitment (to lifeguards) in March or April, which would push it back to 1996."

Selectman Lambalot also felt that without overwhelming support for the issue, it might face defeat again at a Special Town Meeting.

But Ellen Driscoll felt postponing the matter for another year was unfair. "This would only cost taxpayers a matter of pennies," she said. "And postponing it for another year is ludicrous. I wanted to live in a seaside community because I liked the idea of being near the water."

Though the group also contended that the beach should be funded under the regular budget and not placed as an override on the warrant, the Selectmen explained that future funding might be jeopardized if revenues dropped.

"If we make funding for the beach part of the regular budget, we might not be able to fund it next year,"

said Selectman Lambalot. "If we open it, we want to make sure we can open it every year from this point on."

Selectman Mahoney said that although he agreed the re-opening of the beach was a "good thing," the board opted to put together some solid figures before making a final decision. "I think we've concluded, based on our current financial situation, that we really have to postpone this for one year," he said. "If we get things ready for the Annual Town Meeting warrant and it passes, it would allow us to open in 1996."

All present agreed that when the beach was closed four years ago due to lack of funds, they perceived it would only be a "temporary" arrangement. But since no one has contested the partial opening until now, the Board

of Selectmen felt residents were content.

"Everyone thought (the beach) would only be closed for a couple of years," Ms. Lee said. "Now I think everyone feels like they're missing out."

Selectman Mahoney advised those present that they have taken the first successful step in garnering support for their cause. He suggested they organize a formal advocacy group to inform voters of the reasons for supporting the beach re-opening. "There really needs to be an advocacy group that attends Town Meeting in large numbers to support this issue," he said.

The group also agreed to conduct an informal survey of town residents to see how many are interested in supporting the re-opening of the facility via their taxes. "It would be better and more effective if you, as a group, conducted a survey," Selectman Mahoney said. "What happened last time was the (advocate) group was brought together at the last minute and didn't have the numbers to back them up."

The board agreed to continue to research the necessary costs involved and encouraged the residents to start garnering support for the future Town Meeting. "If we can revive the beach again, that's what we'd like to do," Chairman DeCosta said.

There being no further matters to come before the board, they unanimously agreed to adjourn for the evening at 8:20 pm.

Rochester Selectmen's Meeting

December 19, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, December 19 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the December 8 budget meeting and December 12 regular Selectmen's meeting, the board met with John Hall, their representative to SRPEDD and the pending regional airport project in New Bedford. Mr. Hall said he attended a recent meeting with New Bedford officials to discuss the future plans for the airport expansion and the future opening of a gambling casino at the site of the city golf course.

"As far as the airport is concerned, they're still working on putting a final package together," Mr. Hall said. "And the casino is also still in its early stages. Right now they're outlining an agreement between the Governor and (the Wampanoag) tribe."

Mr. Hall informed the board that Rochester is in a better position to benefit from the casino, as revenue which was formerly earmarked strictly for

Bristol County will now also spill over into Plymouth County as well.

Mr. Hall then briefly went over plans to institute a Regional Economic Development District for the area. "Essentially, they're looking at dividing the state into different Economic Target Areas," he said. "Originally there were only going to be 20 ETA's ... now, there are 34. Within each area there will be set goals for future progress ... with an emphasis on jobs."

As part of Rochester's participation in the program, Mr. Hall suggested drafting an article for the next Town Meeting to garner official support from voters before either he or the board makes any formal commitments. Mr. Hall also stressed that the town needs to put together economic development plan in order to be recognized as an Economic Opportunity Area (EOA).

"To be regarded as an EOA, you have to establish certain criteria as a way of spurring business," he said. "There are different ways (Rochester) can do this ... we can offer different tax assessments values for new businesses ... or we can provide funding through betterment programs."

Chairman Hughes thanked Mr. Hall for his input and agreed that the board should meet again

with Mr. Hall after the holidays in order to work on the town's development plan and to draft an article for the next Annual Town Meeting warrant.

At 7:15 pm, the board met with Regional Conservation Agent Laurell Farinon to discuss her proposed budget for fiscal year 1996. The budget remained essentially the same as the one submitted for FY 1995, with only a $100 increase in the total allocation. The only other major change was an estimated $14,500 to pay the town's share of Ms. Farinon's salary, as the grant monies have been expended.

"I think we've kept the budget streamlined," Ms. Farinon said. "We've only increased it by $100 ... and we're working on some things and benefits which weren't included in the original package."

The board was pleased with Ms. Farinon's submitted budget, and added kudos to her work with the town and Conservation Commission over the past year.

"I just want to say that Laurell has done a great job and she's become a real benefit to the town," Selectman Hawkes said. With that, the board unanimously approved Article 3, #24 to appropriate $2,600 for the Conservation Commission; approved Article 3, #25 to appropriate $14,500 for the Conservation Agent; and approved Article 3, #26 to appropriate $1,000 to the Conservation Commission Trust Fund.

Under incoming correspondence for the week, the board received a request for modification of the existing Earth Removal Permit now held by Walter Hartley and Greenwood Hartley III for property located off Walnut Plain Road. The men were interested in changing the stipulations of their permit so they could operate on Saturday from 8:00 am to 3:00 pm from now through March. Chairman Hughes noted that in order to amend the permit, the gentlemen would have to come in before the board

and hold another public hearing. He asked that Ms. Ferreira notify them and schedule a hearing after the holidays.

Under notices for the week, the board cited a workshop to discuss Nitrogen Management and new regulations for Septic Systems and Stormwater Runoff under Title V, which will be held on January 26 by the Buzzards Bay Action Committee (BBAC).

The board next signed and approved a Class III License for Murphy's Auto Salvage via majority vote and based on the understanding that Mr. Murphy had repaired a fence on the lot. Chairman Hughes informed Selectman Hawkes that the fence had been fixed, although Selectman Hawkes had not visited the property. The board also voted to approve a Class ll License for Jeffrey Ponte of Pine Street. Selectman Murphy abstained from voting on both licenses.

The board also signed and sent a letter of appreciation to Memorial School for their recent participation in the town's Tree Lighting Ceremonies which were held outside Town Hall.

Under New Business, the board voted to make a payment of $960 for their Workers' Compensation Insurance and also agreed to allow Administrative Secretary Shirley Ferreira to carry over five days of accumulated vacation time into the next fiscal year. Ms. Ferreira noted that she would be using three of the days at the beginning of the year, since the board would not be meeting again until January 9.

On that same note, Selectman Hawkes

requested that the board receive a breakdown of all available vacation time from each department, as they had no record of this. "I think it would be good to know how much vacation time each employee has as of January 1, 1995," she said. "I'd move to send a memo to each department head so they can give us an update."

Before adjourning, the board also asked that a memo be sent to the Police Department, Communications Department, Civil Defense Department, and Town Accountant to ask that they all come in on January 9 to discuss their submitted budgets for fiscal 1996.

Letters to the Editor

To the Editor:

Reading through recent accounts of Marion and Mattapoisett Selectmen's meetings, I have been bothered by the current interest and attention being paid to the proposed bike path to connect Marion, Mattapoisett and Fairhaven. While I agree that the bike path sounds like an interesting idea and I am sure it would be a nice recreational addition to the communities, I am also sure that such a project would not be possible without some serious financial investments from the towns for initial construction and maintenance.

Our towns have many recreational facilities already existing that have not been maintained due to "lack of funds," and adding another facility to maintain before fixing the existing ones seems inappropriate.

Projects currently seeking funding in the towns for rebuilding or maintaining include the Music Hall, basketball courts, tennis courts, and town beaches ... not to mention trying to rebuild the track at Old Rochester Regional High School. It

seems to me that if money is available for recreational purposes in the towns, we should take care of the facilities we already have rather than add new ones.

Maintenance of town and school facilities should be included in yearly budgets and should not be allowed to lapse until the facilities are dangerous, or even worse, unusable. It would be a shame to see one more facility added that could not be maintained.

Admittedly, as a citizen trying to raise money to rebuild the track at ORR, perhaps I am biased in my view of where any available funds should be spent. However, town leaders and others in a position to appropriate funds need to see the immense recreational potential in school and town facilities already in existence, and our top priority should be doing whatever is necessary to keep these safe and functional. We should rebuild and maintain what we have before adding another project requiring funds, resources, and manpower.

Sincerely,
Ashleyn Stroud
Mattapoisett

To the Editor:

(Below), please find a verse that had come to me some time ago during a period of introspection. With the new year upon us, and so many looking toward new dreams, hopes, desires, and ideas for 1995, I thought that I would ask if you would care to share this with your readers ... I imagine it would have particular meaning for those struggling students about to embark upon a new semester as well as a new calendar year.

Knowledge is only information.

Knowledge with Thought, is only Powerful Information.

Knowledge, with Thought and a Goal, is only Powerful Information with Direction.

Knowledge, with Thought, a Goal, and Action, melded with Positive Attitude, Faith, Confidence, Desire, and Determination, is Powerful Information with Directed Effort toward a *Purpose* ...

A lifelong Endeavor ...

A continual Journey evolving Knowledge into Power ... the Power to *Succeed!*

Sincerely,
Dr. David W. Robinson

Holiday Train Rides Again

Due to some inclement weather late last Saturday night, the Rochester Lions Club and Edward and Jackie Ashley are offering one final chance for people to take a ride on the EPA Express located at 45 Sarah Sherman Road in Rochester. The train ride will be open to the public this Friday, December 23, from 6:00 to 9:00 pm.

Santa is slated to arrive at 6:00 pm and rides will depart every 10 minutes until 9:00 pm. The train fare is $3 per person and photos with Santa are $3 each ... or you can get both a photo and ride the train for a single $5 fee.

To get to the EPA Express, take Route 105 into the Rochester town center. You'll pass the Plumb Corner Mall on your right and the Town Hall on your left. Take the next right onto Mendell Road. Follow Mendell Road and take the second right onto Sarah Sherman Road. Please enter at the train gates on the left.

This event is being sponsored by the

Rochester Lions Club as a benefit for the Crystal Springs School, and through the generosity of Edward and Jackie Ashley.

The Machacam Club

The Machacam Club of Mattapoisett will hold its next monthly meeting on January 4 at the American Legion Hall on Depot Street. Social hour will be at 5:30 pm with dinner service beginning at 6:00 pm.

The speaker this month will be Seth Mendell, one of the club's members. Seth has agreed to speak to the club on "The Saltworks of Mattapoisett and Marion, 1776 - 1840." Seth's detailed knowledge of this subject will undoubtedly make for a very interesting meeting.

Callers are reminded to report their lists no later than 9:00 pm on January 2. Last minute changes and reservations may be made by calling Mike Lamoureux at 758-9311.

one of these popular books for their employees ... or maybe workers can pitch in to get one for the boss. At only $29.95, they are sure to please everyone. For further information and free delivery, please call Bill and Janet Matthews at 758-2170. The coupons are good through December 1, 1995.

Carolling at Tinkhamtown Chapel

The Annual Christmas Carolling at Tinkhamtown Chapel will be held on Saturday, December 24 from 4:00 to 5:00 pm. A Children's Choir will lead the carolling in this quaint chapel, heated by a potbellied stove and lit only by oil lamps. Local children will also read favorite poems and perform solos on their instruments. The public is invited to this lovely celebration of seasonal songs put on entirely by the town's children. Any children interested in singing along or playing a song should call Kate Webb at 758-2567 by Saturday. Children should arrive at 3:30 for a brief practice. Singing will commence at 4:00 pm. Come and enjoy the holiday magic.

ORR High School

Holiday "Values" Program

In keeping with December's value of "family," the students at ORR High School are contributing new toys, clothing and stocking stuffers to the needy families who were recommended by area social service agencies and community members. The students also are collecting food stuffs for a holiday dinner and will contact area

supermarkets to donate four turkeys.

A family in each of the three towns, plus one nominated by the New Bedford Child and Family Services, will receive the gifts; each class sponsors one family. There are a total of eighteen children, aged 2 through 14 in all the families. Stockings for the families are being donated by the school's Students Against Drunk Driving (SADD), and all stockings will be hand-decorated.

ORR High School students choose a "value of the month" by popular vote. The student Values Committee chooses nominees and the student body as a whole picks one. They started the year with "Respect," then moved on to "Unity" and "Sharing." The value for January will be "Peace." Teachers Debbie Sarrey and John McCarthy are overseeing the program; senior Faith Wright is spearheading the student effort.

The faculty has made a Family Guessing Game for students as well. Forty-three staff and faculty members have contributed pictures of their families — with their own faces eliminated — for a game board. Students guess which family belongs to which teacher or staff member and enter their guesses in a contest. The student who makes the

most correct matches wins a $25 gift certificate to The Pasta House in Fairhaven so they can bring their family to dinner.

SADD students are also collecting used toys, books and overcoats to give to the shelter operated by the New Bedford Women's Center. There are two boxes near the front doors of the high school where donations can be placed. Each time someone makes a donation, he/she receives a red bow to hang on the Christmas tree next to the boxes.

Oral Essay Contest

Three ORR High School students are winners in the Voice of Democracy Oral Essay Contest. The Social Studies department conducted the contest this fall and has run the event for the past fifteen years. Over 30 students wrote a three- to five-minute essay on this year's theme: "My Vision of America." Fifteen of the essays were taped and sent to the Veterans of Foreign Wars post in Marion for judging.

The winners were all sophomores: Samuel Thomas III (first); Alisson Fogg (second); and Abigail Howes (third). All winners will receive certificates acknowledging their accomplishments and cash prizes. First prize winner Samuel Thomas will go to Rockland to tape his essay in a professional studio. It will be sent to the district competition. Winners at

the district level progress to the state contest and those winners go on to the national level. Substantial scholarship assistance is awarded to national winners.

Employee of the Month

The ORR High School Employee of the Month is Dorothy Lewis, an aide in the high school Resource Room, who will be retiring in January after ten years at the school. This is the first year for the Employee of the Month program. Those chosen have their names posted on a board in front of the school and have the use of a special parking spot right near the front door.

Memorial Scholarship

Mr. and Ms. Frank Cafarella, parents of Matthew Cafarella (ORR Class of 1990), who was killed in a car accident earlier this month, have established the Matthew J. Cafarella Memorial Scholarship in honor of their son. Contributions may be sent to: Plymouth Savings Band, 340 Front Street, Marion, MA 02738. Please mark contributions "Attention: Valerie Nichols."

Safe Boating Course

Registration for the United States Power Squadron's Boating Course will be held on Tuesday, January 10 at 7:30 pm at ORR High School (Route 6 in Mattapoisett). This course qualifies as the Safe Boating Course that young people under 16 must take and pass if they want to be certified to operate boats with a 25-or-more horsepower motor without adult supervision.

Also, adults can save on insurance if they take a basic boating course like this. Statistically, boating course graduates have good boating records, making them better risks for marine insurance companies.

In the six two-hour session of the course, students will be introduced to the basics of fourteen subjects, including: reading charts and understanding aids to navigation, safe boat operation, elementary seamanship, sailing, engine trouble-shooting, course plotting practice, boating equipment required by federal and state regulations, radio-telephone procedures, boat handling, docking and undocking, weather prediction, trailering your boat, and marlinspike seamanship (tying knots that hold).

The seventh session is a final exam. A Power

Dear Customers:

In order to stay competitive and still remain in this community we **will be moving our operation to 60 Marion Road, Mattapoisett.**

Once you get used to visiting our new, modern location, we are sure you will find it very convenient.

We will still carry a large selection of new and used equipment, bags, frames, film, batteries and more. Plus we will continue to service you as before with the addition of custom black & white printing.

Happy Holidays

Squadron certificate will be awarded to everyone who passes the exam.

Anyone is welcome to sign up for the course. There are no age restrictions and boat ownership is not required.

The instruction is FREE, with the only cost being for materials plus $7 to help defray the cost of the classroom rental fee. If you are interested in starting from scratch, it's a good idea to purchase the Boating Course Kit for $25, which includes the student manual, a course plotter, and dividers. If you already have plotting equipment, you can purchase the student manual separately for $15. If more than one member of your family takes the course, you'll need only one manual, but an extra set of homework questions for each member will be required at a cost of $4 per set. A practice chart and a piece of rope for practicing marlinspike costs and additional $2.

The total cost for the course if you have no equipment at all is $34 for materials and classroom rental.

For more information on the course, please contact John Balonis at 947-0202, Dick Fearing at 748-1890, Gale Hudson at 758-6407, or Walt Sawyer at 758-2769.

Mattapoisett Board of Health

The Mattapoisett Board of Health will be opening the season for water tables, in relation to percolation tests, on Tuesday, January 3, 1995. To schedule and appointment, or if you have any

Dear Friends & Customers,

At this season, it seems it is customary to express one's inner feelings, and we welcome this opportunity to thank you sincerely for the kind consideration you have shown us the past year.

In carrying on a business of this nature, real enjoyment comes from the personal relationship which develops between our organization and yourself. It is this association that makes business genuinely worthwhile.

As the years go on, we will unceasingly strive to earn and to merit your continued friendship which we greatly value, although because of the stress of our daily tasks we neglect to say it in words as often as we would like.

at ORR High School on Monday, December 5.

At the meeting, members received an update on the technology vision statement which was shared with the press, local government, and community groups for input. The Technology Community Meeting Subcommittee proposed to hold a listening session on Wednesday, Marrch 22 devoted exclusively to the topic of technology and education. Further information will be shared with the public in the new year in regard to the structure of the meeting.

The Funding Strategies Subcommittee indicated they will apply for a $35,000 grant from

the state for instructional hardware. The due date of the grant was December 16.

On behalf of the administration, Principal Rosenblatt of Mattapoisett presented a job description for a technology coordinator to be included in the 1995-1996 school budget. A lively discussion ensued. The consensus was to include the position in the budget. The technology coordinator would work with the school staff in the areas of curriculum and technology.

Steve Cushing from Continental Cablevision indicated that the company has the technical personnel to assist in advising on connecting to the Internet, including video, data and audio.

The next meeting of the Technology Task Force will take place on Monday, January 9 at 4:00 pm. Included on the agenda is the adoption of the final vision statement as proposed by the Vision Statement Subcommittee after considering received input.

Rochester Men's Bowling League

Hartley's Mill Men gave Boulevard Funeral Home the big chill on alleys eleven and twelve at the Bowlmor Lanes in Mattapoisett on December 14. Another strong effort by Dave Lizotte (393)

facilitated the three-point win for the lumbermen, while Gene Pepin was top mortician with a 377.

The outlook for Sturtevant and Hook was bleak as their ace kegler, Walt Shepard, was a no-show. Undaunted, Ed Swift took the reins with a 418 and led the Sturtevants to snatch two points from the Bowling Stones (Ed DeMello, 397). Benny Towns led a powerful Bowlmor Five with a 419 to muscle two points from Beaton Cranberry. Jim Greene was tops for the farmers with a 348.

and bone marrow transplant.

It is easy for us as adults to lose sight of the true meaning of Christmas — a holiday season for giving. In return for giving to others we receive the pleasant feeling of being needed and appreciated.

In order for Alex to live, his doctors at Children's Hospital in Boston have determined that he will need a bone marrow transplant. Since Alex's brother, Andrew, was not a match, the doctors will apply to the National Bone Marrow Program (NBMP) for a hopeful donor. With a successful search, Alex will receive his gift of life.

A committee has been formed by Alex's

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.
Only your initials shall appear at the bottom. K.A.C.

A PRAYER TO THE BLESSED VIRGIN
O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God. Immaculate Virgin assist me in my necessity. O Star of the Sea, help me and show me here you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in her hands (3 times). Say this prayer for three consecutive days and then you must publish; it will be granted to you. B.V.

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred Heart of Jesus, pray for us. St. Jude,worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.
Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail.
Publication must be promised. Thank You, St. Jude. P.E.

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor.
Only your initials shall appear at the bottom. P.E.

grandmother, Paddy Pleczar, to assist her grandson in getting this special gift from Santa. The response to Alex's cry for help has been overwhelming. Many families and friends have joined the committee to help as well as many local delegates who have offered assistance in fundraising. A fund has been set up to help defray the cost of expenses associated with a bone marrow transplant. Since medical insurance does not cover the cost, Alex's one wish is that you and other caring people will help Santa deliver his gift this Christmas.

If you can find it in your heart this holiday season to give what you can, make checks payable

Charities Need Your Support...
Let N.E.E.D.S. Help You Give More.

YOU CAN SAVE TAXES AND PROVIDE FOR YOUR FAVORITE CHARITY AT THE SAME TIME. WHAT COULD BE MORE SATISFYING THAN THAT?

CHARITABLE GIVING BENEFITS

- You can give to a charity tomorrow and take a tax deduction today.
- You can make a gift to charity worth many times the cost of the donation to you.
- You can help your favorite charity reach its goals and provide significant estate planning benefits.

bring their own lunch. The workshop will be held on Saturday, February 18 (snow date: February 25) and a follow-up seminar will be decided upon at that time. Cost for the course is $25.

Birds: An Overview

This course is for the aspiring birder and will encompass the evolution, physical adaptations, identification, life history, and current environmental problems of many types of local birds. The instructor, Michael Labosier, is a naturalist and nature photographer who will be using slides and museum specimens to augment the lecture. Mr. Labosier will also be providing ideas for educators to use in classroom activities. The course will run on March 7 and 14 from 6:30 to 8:30 pm at the museum. Cost for the course is $30.

For further information on any of these courses, please call the Marion Natural History Museum at 748-2098.
